INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Macon Program for Progress, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Macon Program for Progress, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

To the Board of Directors
Macon Program for Progress, Inc.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Macon Program for Progress, Inc. as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Macon Program for Progress, Inc.'s 2013 financial statements, and we expressed an unmodified audit opinion on those audited financial statements our report dated December 10, 2013. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2013, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and state awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. In addition, the accompanying HUD financial data schedule as required by the U.S. Department of Housing and Urban Development is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. MACON PROGRAM FOR PROGRESS, INC.

Notes to Financial Statements

June 30, 2014

Note 1 - Summary of Significant Accounting Policies

Organization

Macon Program for Progress, Inc. (Organization) was incorporated on October 20, 1964. The purposes of the Organization are to provide education and care for pre-school children, provide employment training for low-income individuals, and improve living conditions and alleviate poverty in Western North Carolina. The Organization's programs are funded by federal, state, and local funds.

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Tax-exempt Status

The Organization is incorporated as a nonprofit corporation under the laws of the State of North Carolina. It has qualified for exemption from federal income taxes under section 501(c)(3) of the Internal Revenue Code and is not a private foundation.

Financial Statement Presentation

The Organization reports in compliance with FASB ASC 958-205, *Not-for-Profit Entities: Presentation of Financial Statements*. Information regarding its financial position and activities are grouped according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The three classes of net assets are defined as follows:

- **Unrestricted Net Assets:** Unrestricted net assets represent resources whose use is not limited or restricted by donors. They generally arise as a result of exchange transactions, unrestricted contributions, or restricted contributions whose restrictions have expired.
- **Temporarily Restricted Net Assets:** Temporarily restricted net assets represent resources whose use is limited by donors for the purpose and/or time in which they may be expended. Eventually, temporarily restricted net assets are reclassified to unrestricted as their time and purpose requirements are met.

Note 1 - Summary of Significant Accounting Policies (continued)

Financial Statement Presentation (continued)

- **Permanently Restricted Net Assets:** Permanently restricted net assets represent resources that must be maintained permanently. Like temporarily restricted net assets, permanent restrictions may be imposed only by the donor. However, permanently restricted net assets generally do not get reclassified, since, by definition, their restrictions never expire. The income may be unrestricted or may also be restricted according to the donors' wishes.

Recognition of Donor Restrictions

Contributions that are restricted by the donor are reported as increases in unrestricted net assets, if the restrictions expire (that is, when the stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which support is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Donated Goods and Services

Donated goods and materials received are reflected as in-kind contributions at their estimated fair value at the date of receipt. Donated materials totaled \$9,985 and \$7,249, for the years ended June 30, 2014 and 2013, respectively.

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Donated services, for speech therapy and dental screenings, totaled \$32,419 and \$62,102, for the years ended June 30, 2014 and 2013, respectively.

Cash and Equivalents

The Organization considers all cash and short-term investments with original maturities of three months or less to be cash equivalents.

Receivables

Grants receivable consist of amounts due from governmental and other agencies for services performed before year-end. Other receivables consist of amounts due from individuals for childcare fees. An allowance for doubtful accounts has not been established, as management believes that all amounts are collectible.

Note 1 - Summary of Significant Accounting Policies (continued)

Property and Equipment

The organization capitalizes all expenditures for property and equipment in excess of \$5,000 and an estimated used life extending beyond one year. Property and equipment are carried at cost. Expenses for repairs, maintenance, renewals and betterments that materially prolong the useful life of assets are capitalized. Depreciation is computed using the straight-line method over a period of two to forty years.

Donations of property and equipment are recorded as contributions at fair value at the date of donation. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

Support and Revenues

Certain revenues received under government grant programs are subject to audit by the providing agency. Contributions are considered to be available for unrestricted use unless specifically restricted by the donor or designated by the Board of Directors.

Advertising

Advertising costs are expensed as incurred. For the years ended June 30, 2014 and 2013, costs charged to expense were \$10,048 and \$5,578, respectively.

Cost Pools

The Organization uses three cost pools (fringe, indirect, and leave) to accumulate and allocate costs that are not chargeable directly to a specific program. Costs from these pools are allocated to the various programs based upon a percentage of each program's salaries to total salaries of all programs.

Allocation of Expenses

The Organization allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program and support service are allocated directly according to their nature and expenditure classification. Other expenses that are common to several functions are allocated by statistical means.

Note 1 - Summary of Significant Accounting Policies (continued)

Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Fair Value of Financial Instruments

The fair value of substantially all reported assets and liabilities which represent financial instruments, none of which are held for trading purposes, approximate the carrying values of such amounts.

Reclassification

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements.

Comparative Financial Information

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2013, from which the summarized information was derived.

Note 2 - Restrictions on Assets

Depreciation expense for the years ended June 30, 2014 and 2013, was \$227,089 and \$224,302, respectively.

Note 4 - Long-term Debt

In September of 1998, the Organization borrowed \$300,000 from Wachovia, payable in 150 monthly payments of \$2,513 with 5.77% interest. The loan was to mature in December 2014. During the current year, the Organization paid the loan in full. At June 30, 2014 and 2013, the loan balance, net of current maturities, was \$0 and \$8,301, respectively.

Note 5 - Line of Credit

The Organization maintains two lines of credit with a local bank to meet short-term working capital needs. Maximum borrowings on these lines of credit are \$50,000 each. The Organization has no significant compensating balance requirements or commitment fees related to either line. Interest is payable monthly at a prime rate, with minimums of 4.0% and 8%. At June 30, 2014 and 2013, there was no outstanding balance on either line of credit.

Note 6 - Lease Commitments

The Organization is obligated under lease agreements for storage space, office equipment, and service contracts with various monthly payments and maturity dates.

The following is a schedule of future minimum lease payments under non-cancelable operating leases.

<u>Years Ending June 30</u>	<u>Amount</u>
2015	\$ 38,441
2016	5,584
2017	
2018	
2019	
<u>Minimum lease commitments</u>	<u>\$ 44,025</u>

Total rent expense for the years ended June 30, 2014 and 2013, for all operating leases and service agreements was approximately \$61,528 and \$65,628, respectively.

Note 7 - Summary Disclosure of Significant Contingencies

Federal and State Assisted Programs

The Organization has received proceeds from several federal and state grants. Periodic audits of these grants are required and certain costs may be questioned as not being appropriate expenditures under the grant agreements. Such audits could result in the refund of grant monies to the grantor agencies. Management believes that any required refunds would be immaterial. No provision has been made in the accompanying financial statements for the refund of grant monies.

Risk Management

The Organization is exposed to various risks of loss related to torts, theft of, damage to and destruction of assets, errors and omissions, injuries to employees and volunteers, and natural disasters. The Organization carries commercial insurance coverage for risks of loss. Claims have not exceeded coverage in any year since inception.

Note 8 - Retirement Plan

The Organization participates in a tax-sheltered annuity retirement plan. The employer contributes 1.5% of employee compensation for employees who meet certain minimum eligibility requirements. The employer also matches up to 3.5% of compensation for employees making contributions to the plan. The Organization's contributions for the years ended June 30, 2014 and 2013, were \$100,374 and \$103,677, respectively.

Note 9 - Health Insurance Plan

In 2013, the Organization adopted a high deductible health insurance plan with Blue Cross Blue Shield, and established a health reimbursement account for each employee. The account will pay 80% of the deductible for the employee during the year. The maximum amount the Organization would pay per employee during the year was \$2,800. The costs of claims paid under the plan for the years ended June 30, 2014 and 2013, were \$113,101 and \$101,399, respectively. The Organization recognized a liability in the amount of \$9,059 at June 30, 2014 and 2013, which represented claims that have been processed but not paid as of year-end.

Note 10 - Indirect Cost Rate

A provisional indirect cost rate of 14.9% was approved by the U.S. Department of Health and Human Services. The basis for allocating indirect costs is direct salaries and wages including vacation, holiday, sick pay, and other paid absences but excluding all other fringe benefits. The various programs of the Organization were charged \$368,798 and \$372,601, based upon that indirect cost rate, for the years ended June 30, 2014 and 2013, respectively.

Note 11 - Related Parties

The Organization is responsible for appointing 3 out of 7 board members of The Apartments at Orchard View Inc.'s (Orchard View) board of directors. COMPLIANCE SECTION

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Macon Program for Progress, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Macon Program for Progress, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 21, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Macon Program for Progress, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Macon Program for Progress, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors
Macon Program for Progress, Inc.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Macon Program for Progress, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

To the Board of Directors
Macon Program for Progress, Inc.

Report on Compliance for Each Major Federal Program

We have audited Macon Program for Progress, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Macon Program for Progress, Inc.'s major federal programs for the year ended June 30, 2014. Macon Program for Progress, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Macon Program for Progress, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Macon Program for Progress, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Macon Program for Progress, Inc.'s compliance.

To the Board of Directors
Macon Program for Progress, Inc.

Opinion on Each Major Federal Program

In our opinion, Macon Program for Progress, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.

Report on Internal Control over Compliance

Management of Macon Program for Progress, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Macon Program for Progress, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Macon Program for Progress, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors
Macon Program for Progress, Inc.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
